

Lancashire Best Kept Village Update

As you will be aware, Over Kellet is currently participating in the 2019 **Lancashire Best Kept Village** Competition, so anything that you can do to support our entry would be most welcome. This might include picking up any litter, pulling out occasional stray weeds along the kerb or just neatening up the front areas of our own properties.

I am especially grateful for the time and actions already taken by those residents who have either been working independently or have joined me and the village lengthsman on our Thursday evening or Saturday morning “clean up” activities. There is still more to be done, and areas to revisit, but I hope it is starting to make a difference.

Judging for the competition is now underway throughout Lancashire with first round visits taking place at any time from **8th June** to **21st July**. This means we will be continuing our efforts to spruce up the public areas of the village so, if you can spare some time, please come along to help on any Thursday evening in July. We meet at 6.30 pm on the Village Green.

Thank you.

Jean Metcalfe

Over Kellet Parish Councillor (e-mail: jeanmetcalfe@btinternet.com)
