21/116 MINUTES OF THE MEETING HELD ON TUESDAY, 8th FEBRUARY 2022

It was **RESOLVED** that, subject to the inclusion of an item relating to the Kellet Road pavement, the Minutes of the Meeting of the Parish Council, held on **Tuesday, 8th February 2022** be approved and signed.

Matters Arising:

1) Minute 21/106(1) – Public footpaths

The Chairman suggested that the displaced signpost at the Nether Kellet Road end of footpath 1-24-FP9 could be attached to the SpID post. This was agreed and the Chairman agreed to ask the Lengthsman to attend to the matter.

3) Minute 21/106(3) – Dog Fouling

The Clerk advised that arrangements had not yet been made for the City Council's Dog Warden to visit the village. Further information was required on fouling 'hotspots' and what the Council expected from the Dog Warden.

Action: Councillors will liaise with the Clerk to produce a report to the Dog Warden on current issues and hotspots and ask for the Warden to visit.

OVER KELLET PARISH COUNCIL

4) Minute 21/110 – Queen’s Platinum Jubilee

It was noted that Fellside Homes had now planted trees on the triangular grassed area adjacent to the Church Bank to Greenways footpath 1-24-FP12. It was agreed that the Council could still ask Fellside Homes if they would consider dedicating this area and trees to commemorate the Jubilee.

A resident suggested that a commemorative tree could be planted in the Village Hall grounds. It was also suggested that the Woodland Trust might be consulted on an appropriate species for the location. Councillors agreed that the Village Hall should be consulted on this suggestion.

Action: The Clerk will write to Fellside Homes to ask if they will consider dedicating the triangular grassed area and trees adjacent to footpath 1-24-FP12 to the Platinum Jubilee.

The Clerk will also write to the Village Hall Committee to ask if they will consider planting a tree in the Hall grounds.

5) Minute 21/112(2) – Stiles in disrepair

The Chairman reported that the condition of the stiles on footpath 1-24-FP13 from Nether Kellet Road to Lower Addington was under review. It was noted that a resident had reported two damaged stiles to the County Council, who had no immediate plans to review their condition.

Action: The Council will continue to review the condition of stiles on footpath 1-24-FP13 with a view to securing appropriate repairs where possible.

6) Minute 21/112(3) – Kirklands Road pavement obstructions

Councillors and residents agreed that vehicles obstructing the pavement at the foot of Kirklands Road and the accumulation of waste material on the pavement and road continued to be an issue. A resident commented that hedge growth along the border of the property was now adding to the obstruction.

Action: The Clerk will write to the homeowner concerned about public safety issues being created at this location.

7) Minute 21/112(4) – Kellet Road pavements

21/122 ADJOURNMENT FOR PUBLIC DISCUSSION & INFORMATION ONLY UPDATES:

REPORTS FROM MEMBERS OF THE PUBLIC:

(1) Potholes and road surface issues

Two residents advised that they had reported to the County Council a significant pothole on Nether Kellet Road near the Eagles Head public house. Consulting the County Council website, the Clerk confirmed that there was a 'live' report (fault ref W671545 from 26/02/2022) at this location as well as one that was noted as having been attended to.

Action: The County Council's progress with fault ref W671545 will be monitored.

A resident reported that road surface patching work on Nether Kellet Road near Kirk House had deteriorated further.

Action: The status of this work will be investigated and monitored.

OVER KELLET PARISH COUNCIL

A resident and Councillor Metcalfe reported that markings on Kirkby Lonsdale Road near Winder Garth had now gone. It was thought that the markings had indicated a dip in the road that required remedial work.

Action: The status of this issue and planned work will be investigated.

A resident reported that there had previously been a 'SLOW' sign painted on the Nether Kellet Road (for vehicles approaching the village centre) was now worn away. Councillors agreed that the County Council should be asked to reinstate this sign.

Action: The County Council will be asked to reinstate the 'SLOW' sign on the Nether Kellet Road.

(2) **United Utilities work on the Village Green**

The Chairman and Clerk reported that they had discussed with the Lengthsman the damage caused to the Village Green by a recent United Utilities (UU) job. The Lengthsman is assessing the damage and will provide the Clerk with an estimated cost of remediation. The Clerk will then issue a report and claim to UU.

Action: The Council will liaise with the Lengthsman to ensure the Village Green is appropriately restored and that a claim for compensation is issued to United Utilities.

(3) **Footpath 1-24-FP9 (Nether Kellet Road to the Chapel, Kirkby Lonsdale Road)**

A resident asked if anything could be done about the surface of footpath 1-24-FP9 which is badly deteriorated in many places. Councillors agreed that action was necessary but that resurfacing the path would be beyond the Parish Council's means. The Clerk advised that the appropriate course of action would be a report to the County Council PRow Team to seek their advice and request repair work.

Action: The Clerk will liaise with Councillor Metcalfe to produce a report to the County Council PRow Team and request that the footpath is resurfaced.

CLERK'S REPORT:

(4) **Application for a DMMO, Sands Lane.**

The Clerk reported that the County Council was consulting on a Definitive Map Modification Order (DMMO) application from the British Horse Society for a Public Bridleway to be added to the Definitive Map for a path/route connecting Kirkby Lonsdale Road and Nether Kellet Road at Kirk House via Sands Lane. Councillors agreed that the application should be supported in principle but expressed concerns about safety risks at both ends of the proposed route. On balance, Councillors felt that the route would be more suited to a Public Footpath for pedestrians than a bridleway permitting riders and cyclists.

Action: The Clerk will submit a consultation response expressing the Council's support in principle, but setting out Councillors concerns over safety issues and a view that the route is more suited to a public footpath designation than a bridleway.

OVER KELLET PARISH COUNCIL

(5) **Ukrainian Refugee Relief.**

The Clerk had received an email from the City Council advising of a fundraising page established to help provide relief to the many Ukrainians seeking refuge in Lancaster's Polish twin town of Lublin (sited close to the Ukrainian border). A news post with full details is now on the Parish Council website at <https://overkelletpc.org/ukraine-lublin-refugee-appeal/>

(6) **City Councillor representation**

Councillors were aware that Nether Kellet Parish Council had lodged a formal complaint with the City Council about the conduct of the Ward Councillor, Stuart Morris. Considering this, and Over Kellet Parish Council's own experiences, the Clerk asked if Councillors wished to take any further action at this stage. Following discussion, Councillors agreed that a further letter should be sent to Councillor Morris stressing the value of, and asking for, his active support when requested.

Action: The Clerk will write to City Councillor Morris stressing the value to the Parish of his input as Ward Councillor, and asking for his active support when requested.

MEMBERS' REPORTS:

(7) **LALC.** The Chairman advised that local LALC meetings were to be resumed.

(8) **Quarries.** Councillor Johnson's report into the results of the recent survey was now on the Parish Council website and hard copies would be provided on request. Councillor Johnson reported that vibration figures for recent blasts were well within limits but that air over-pressure readings were close to guideline levels. Councillor Johnson suggested that the quarry operators might be asked to make a presentation to a future meeting to explain the readings and in particular the air over-pressure impacts.

Action: The PC will request that the differences between ground and air pressure waves and their significance be included in the Community Engagement element of the application for the extension of the quarry operating period.

(9) **Allotments.** Nothing to report.

(10) **Village Hall.** Nothing further to report.

(11) **B4RN.** Nothing to report.

Action: The Clerk will write to the Chair of the Allotments Association requesting that arrangements be made to enable the Lengthsman to dispose of grass cuttings at the allotments.

The Chairman reported that crocuses planted on the Village Green in memory of former
